

AGENDA

CHARLOTTE
DATA DAY 2015

TUESDAY, OCTOBER 6, 2015

2:30 pm Welcome

2:45 pm **The Digital Divide: Age, Race and Changing Demographics**

4:00 pm **Mobile Banking and Demographic Drivers of Change**

5:15 pm Reception and CASH Tour

You are invited to tour the sixth largest Federal Reserve Cash operation in the nation. Our Charlotte Cash operation houses two significant currency functions. The first, our Paying & Receiving function, is responsible for shipping and receiving currency and coin to meet the needs of financial institutions across the Carolinas. The second, our High Speed Processing function, is responsible for verifying currency received, removing unfit currency from circulation on behalf of the Department of Treasury, and identifying suspected counterfeits for investigation by the U.S. Secret Service. Please join us for an insider's view of who we are and what we do.
